

Certified Pre-Owned Quality Assured Checklist

Product Model: _____
Serial Number: _____

Age: _____
Hours: _____

90-Point Inspection

Appearance

- Body
- Foot pads
- Graphics
- Hood
- Lenses
- Screens

Battery

- Battery hold-down assembly
- Cables
- Charge
- Load Test

Cutting Units

- Bedknife
- Catchers
- Lift arms
- Reels
- Rollers

Electrical

- Connectors
- Flashers
- Fuses
- Headlights/tailights
- PTO clutch
- Sensors
- Starter
- Switches/relays
- Wire harness

Engine

- Air filter
- Coolant level (Liquid-cooled)
- Engine speed
- Fan belt (Liquid-cooled)
- Filter
- Fuel line/filter
- Fuel shut-off operation (Diesel)
- Fuel tank drain cock (Diesel)
- Hose clamps
- Hoses

Engine (Continued)

- Muffler/exhaust system
- Oil
- Pre-heater operation (Diesel)
- Radiator (Liquid-cooled)
- Radiator fins (Air-cooled)
- Radiator screens (Air-cooled)
- Screens (Liquid-cooled)
- Water pump (Liquid-cooled)

Foot Controls

- Brake
- Clutch/brake
- Foot throttle
- Forward pedal
- Lift pedal
- Reverse

Gauges

- Fuel gauge
- Hour meter
- Indicator lights

Hand Controls

- Cruise control
- Shift levers
- Throttle/choke

Hydraulics

- Correct pressures
- Couplers
- Hoses
- Lines

Miscellaneous

- Leaks (coolant, fuel, engine oil, hydraulic oil, front axle oil)
- Vehicle performance

Operation

- Cruise
- Drive belt
- Drive shaft

Operation (Continued)

- Forward/reverse

Safety

- Neutral switch
- Park brake/indicator
- Park brake lock
- PTO switch/seat switch
- Reflectors
- ROPS
- Seat belt operation
- Warning labels/decals
- Warning lights

Seat

- Adjustment
- Condition
- Suspension

Steering

- Axle pivot
- Linkage
- Spindle
- Tie rods
- Tilt
- Wheel

Tires

- Air pressure
- Toe in
- Tread condition
- Wheels/hubs

Transmission

- Cooling system
- Filter
- Fluid
- Tow valve

All above items have been inspected to be in good working order or replaced.
